

Todos los instrumentos reutilizables se suministran en estado no estéril y deben ser esterilizados a 134 °C / 20 min.

Todos los productos desechables no son previstos para reutilización.

Para la desinfección superficial general pueden utilizarse productos comerciales corrientes.

BOWA no asume ningún tipo de responsabilidad por la limpieza, la esterilización y la utilización indebida.

Los productos están certificados según la norma 93 / 42 / CEE

Tutti gli strumenti riutilizzabili sono forniti non sterili e possono essere sterilizzati per 20 min a 134 °C.

Tutti i prodotti monouso non sono destinati a essere riutilizzati.

Per la pulizia e la disinfezione generale è possibile utilizzare i prodotti in commercio.

BOWA non si assume alcuna responsabilità per la pulizia, la sterilizzazione e l'uso non conforme.

I prodotti sono certificati in accordo con 93 / 42 / CEE
